The following forms and scoring tables are provided by Focus on Therapeutic Outcomes, Inc. (“FOTO”) for purposes of individual clinical practice, i.e., patient-level measurement. The questions, forms and scoring tables (“Document Content”) have been developed by FOTO and are owned by FOTO.

As an eligible healthcare provider, you are hereby granted a Limited License to access and use the Document Content in physical form in connection with the treatment of patients and for monitoring patient progress. A license is herein granted for you to download or print out copies of any portion of the Document Content to which you have properly gained access for the purpose of entering your, or your patient's, medical data and providing medical progress reports. Such information may be shared with the Centers for Medicare and Medicaid Services, other payers and referral sources for generating medical progress reports.

It is understood that all Document Content, including the selection and arrangement of inquiries herein, is the property of Focus on Therapeutic Outcomes, Inc., with all rights reserved. No Document Content may be modified, copied, distributed, “snipped,” reproduced, republished, posted, or sold in any form or by any means, in whole or in part, without FOTO's prior written permission, except in physical form for the purposes set out above.

You agree not to copy the forms or other Document Content contained herein except as is needed to enter your or your patient's data. Except for your own Patient Content, you may not upload or republish Document Content on any Internet, Intranet or Extranet site or incorporate the Document Content in any database, algorithm, or electronic program

Any use of the Document Content other than as specifically authorized herein, without the prior written permission of FOTO is strictly prohibited and will terminate the License granted herein. Such unauthorized use may also violate applicable laws including copyright and trademark laws and applicable regulations and statutes. For more information, or to request permission for other uses, contact FOTO at 800-482-3686 extension 230 or www.fotoinc.com.

Your downloading, and subsequent use of this document by you or your patients constitutes your agreement to the terms of use described above in this limited license.

The Neck Functional Status 10-item Short Form

(©Focus on Therapeutic Outcomes, Inc.)

The following assessment will ask you about difficulties you may have with certain activities. It’s an important part of your evaluation. It will help us:

- understand how your condition is affecting your activities, and
- develop treatment goals with you.

Please answer the questions with respect to the problem for which we are seeing you. Respond based on how you have been over the past few days.

Today, does or would your health problem limit:	Extreme Difficulty or Unable to Perform	Quite a Bit of Difficulty	Moderate Difficulty	Little Bit of Difficulty	No Difficulty
1. Looking up to see a bird?					
2. Performing personal care activities like washing, dressing, bathing?					
3. Moving your head quickly, such as following a loud noise?					
4. Performing recreational activities that require little effort (eg, card playing , knitting, etc.)?					
5. Turning to look behind you to drive a car?					
6. Turning over in bed?					
7. Sitting and reading a book for 1 hour?					
8. Changing a light bulb overhead?					
9. Sitting, performing light desk work for 8 hours?					
10. Performing recreational activities in which you take some force or impact (eg, golf, hammering, tennis, etc.)?					

The Neck Functional Status 10-item Short Form Scoring Algorithm

(©Focus on Therapeutic Outcomes, Inc.)

Scoring Instructions: The respondent must answer all of the functional questions. If any questions are skipped, the measure cannot be scored. Score the measure by summing all responses. The sum should range between 10 and 50. Find the sum in the left column and select the functional status measure score in the right column.

Sum	FS Measure
10	0.0
11	18.4
12	24.1
13	27.6
14	30.2
15	32.3
16	34.1
17	35.7
18	37.1
19	38.4
20	39.6
21	40.8
22	41.9
23	42.9
24	43.9
25	44.9
26	45.9
27	46.8
28	47.8
29	48.7

30	49.6
31	50.5
32	51.4
33	52.4
34	53.3
35	54.3
36	55.3
37	56.4
38	57.4
39	58.6
40	59.8
41	61.1
42	62.5
43	64.0
44	65.7
45	67.6
46	69.8
47	72.6
48	76.2
49	82.0
50	100.0

More about the Neck Functional (FS) Status 10-item Short Form

Short forms are fixed (static) sets of items derived from a complete item bank of a computer adaptive test (CAT). To learn more about the Neck FS CAT:
